ENVIRONMENT TOUCHES LIVES

Meet your hand drying needs without harmful impact on Mother Nature. We share your concern on the environment and the Compact Towel System is designed to reduce waste and overuse.

- Compact towels dispense fully opened for effective hand drying
- Compact towels dispense one sheet at a time to control usage

Standard

SCOTT® Compact Towel *Standard*

The SCOTT® Compact Hand Towel Standard is your practical choice to meet the needs for both your business and Mother Nature.

Saving the trees

We promote use of recycled content in our products to save cutting the trees

Safe for users and the environment

We are Chlorine-Free in all our processes to ensure no toxic by-products, which can be harmful to our eco-system, are generated.

Practical Choice

The use of recycled fibre in the towel ensures your need to provide proper hand drying remains affordable. You don't have to compromise on hygiene.
